REVOLUTIONIZE YOUR

# E-INVOICE

## MANAGEMENT WITH OUR ENHANCED FEATURES

Prepare for e-Invoice with our enhanced feature! Streamline compliance by easily collecting and organizing customer information, ensuring a smooth transition and staying ahead with confidence.

### e-Invoice Validation

Introducing e-Invoice submission feature directly within each transaction screen, ensuring a streamlined and user-friendly experience.

### e-Invoice Inquiry

Effortlessly check the status of all your e-Invoices and, with our intuitive interface, conveniently submit multiple e-Invoices in a batch!

### Consolidated e-Invoice

Simplify your monthly routine by consolidating all cash sales and invoices. Submit your consolidated e-Invoice effortlessly and review transactions even after submission!

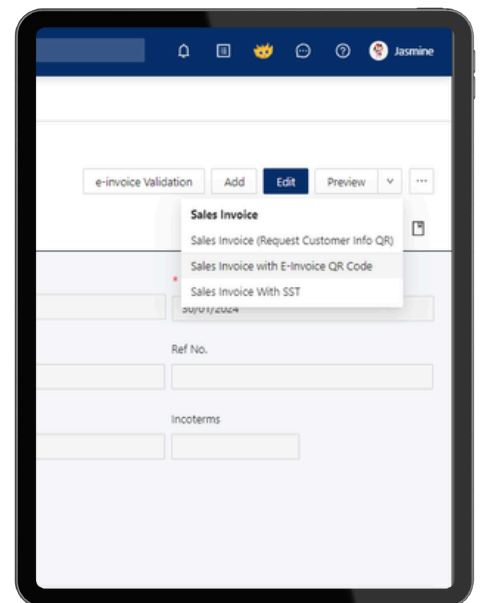

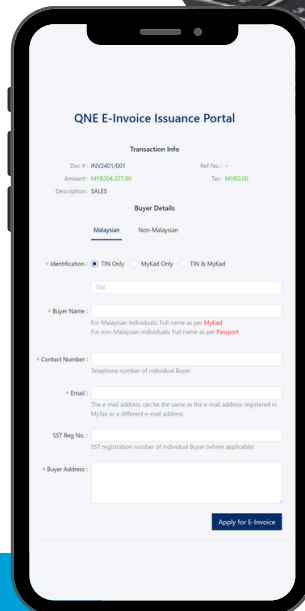

## REQUEST CUSTOMER INFO PRE-E-INVOICE

Streamline your workflow by allowing customers to input their tax information. Collect necessary details at your convenience, even before the e-Invoice implementation!

## QUICK AND EASY ONBOARDING JOURNEY WITH QNE AI CLOUD ACCOUNTING!

### e-Invoice Wizard

Embark on your e-Invoice journey seamlessly with our guided e-Invoice Wizard. Follow the step-by-step instructions, and you'll be amazed at how effortlessly you can become e-Invoice compliant. Embrace the future of e-Invoicing with ease!

### e-Invoice Advisor

Managing hundreds of customer accounts and unsure about which ones have updated information for e-Invoice issuance? Fear not! Our enhanced e-Invoice Advisor is here to guide you through the process. Effortlessly browse and filter all your customer accounts with just a click, ensuring you have the updated information you need for seamless e-Invoice issuance.

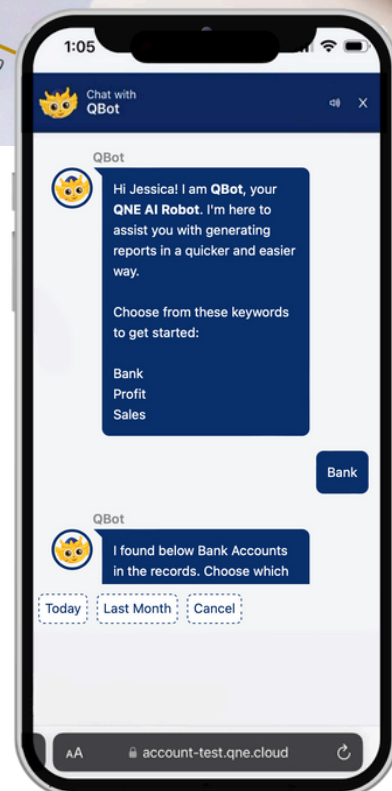

# AI + CLOUD POWER

## YOUR 24/7 FINANCIAL ASSISTANT

### QNE AI CLOUD ACCOUNTING **AI FEATURES**

Introducing **QBot** and **QuickScan** from QNE AI Cloud Accounting – a dynamic duo designed for accountants and small business owners. **QBot**, our AI chatbot, brings simplicity and efficiency to financial management with instant insights, reports, and flexible timeframe analysis, eliminating data entry hassles. Your 24/7 intelligent financial assistant, QBot revolutionizes accounting, ensuring simplicity and accuracy. Meanwhile, **QuickScan**, the game-changer, transforms paperwork into a seamless experience, saving time and reducing errors. It's like having a smart helper that adapts to your preferences, simplifying financial tasks. Try QBot and QuickScan today to revolutionize the way you handle your company's finances, giving you more time to focus on growing your business without the headaches.

**Financial Insights** - QBot also conducts thorough analysis of your business's financial ratios, comparing them to the same or similar industry benchmarks. Receive clear insights on your performance relative to the market standard.

**Not Just Data** – QBot goes further by providing actionable recommendations based on your current financial status. Elevate your decision-making with QBot's concise and valuable insights.
